TURNKEY BASE CAMPS

Team GAH experts have over 90 years of experience providing state-of-the-art equipment and services establishing permanent or semi-permanent structures for complete living and operational needs. Our team has extensive experience setting up **TURNKEY BASE CAMP** operations ranging from smaller base camps to mass care operations. We work closely with contracting officers, FEMA, and NGOs to serve efficiently and compassionately during emergency deployments.

We are proud of the relationships we have developed with federal, state, county, and local emergency managers and contracting officers, as well as our friends in the private sector, including the environmental response, petroleum, healthcare, energy, and utility industries. We take great pride in these relationships and will always go beyond the call of duty to ensure the task is accomplished efficiently and effectively.
